## 6<sup>th</sup> Grade Math Summer Work

- Enclosed is a packet of math problems for you to complete over the summer vacation.
- Try to follow the schedule I have provided for you. Please do not try to do too many pages at one time or leave it all for the last few days of your vacation.
- The first section of each sheet explains what you are to do and provides an example.
- Do your best to answer each question. Please do not leave any questions blank.
- You are expected to bring this work with you on the first day of school.
- This packet will be included in your math average and will count as your first test grade.
