Dear Parents of 2nd, 3rd and 4th graders:

It is the time of year when we welcome lower grade students to join the fun of the Oak Bluff School musical. This year's musical is *O.B.eatles! II*, an extravaganza of Beatles music accompanied by the much loved island band, the Daytrippers. Many of you may remember *O.B.eatles part 1* from the spring of 2011, one of the most successful Oak Bluffs School musicals of all time. Well, this is part two, and all new! Many of this years junior high students were little kids in the chorus three years ago and are now starring in this year's production.

If you and your 2nd, 3rd or 4th grader would like to participate in this years production, please note the dates below, fill out the bottom of this sheet and return to Shelagh Hackett in her mail box in the office of the Oak Bluffs school. Please note that if your child is part of the show, you will also be asked to participate by helping out backstage during the final week of rehearsals and during performances.

Please return the form below by the first rehearsal, November 4th.
