### After School Homework Club is Starting

The Homework Club is a program of academic support that will run Monday through Thursday from 2:45- 3:30. It does not run on half days. At the Homework Club the Oak Bluffs School staff will provide homework assistance and supervision for students in grades 3 through 8. The Homework Club will take place in the Oak Bluffs School Library/Media Center starting on Tuesday, October 10th.

Students must complete the form below to attend the Homework Club. Students will not be allowed to leave our Homework Club unless a Parent/ Guardian or adult listed on the form signs them out. Additionally, you must specify if you are giving your child permission to walk or ride their bikes home. Once students are finished their homework, they are expected to engage in their independent reading or iReady work. If you have any questions, please call the office.

We look forward to working with your children and appreciate your cooperation.

Respectfully,  
Dr. Megan Farrell
